## How do we protect your Personal Information?

How does Napoli Shkolnik protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.  
We also limit access to information to those employees for whom access is necessary.

How does Napoli Shkolnik collect my personal information?

We collect your personal information, for example, when you

- open a case or inquire about a possible lawsuit
- upload your documents and photos online

- 
- or send them to our office
- Fill out online forms pertinent to your legal case.

We also collect your personal information from others, such as lead providers, advertisers, family members, medical professionals, and public information sources such as social media and people finder sites.
